

Please find attached a petition from Norm Miller's MPP Parry Sound Muskoka office requesting the Ministry of Transportation to redesign Provincial Highway 559 with safe sight lines and rebuild it with an asphalt surface and bike lanes. Please return the original signed petitions to one of Norm Miller's Offices , Room 440 of the Main Legislative Building located at Queen Park Toronto or return to the Carling Township Office either by mail or in person. We also have copies available at the Carling Township Office . Please sign in the designated boxes only, any signatures outside of this will not be included.
